PATENT

Our Docket: P-PM 4968

UCLA Reference: 2001-114-2

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of:

Braun et al.

Serial No.: 09/976,451

Filed: October 12, 2001

For: METHODS OF DIAGNOSING
AND TREATING CROHN'S
DISEASE USING *PSEUDOMONAS*
ANTIGENS

COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231
Attention: BOX MISSING PARTS

Examiner: Not yet assigned

Group Art Unit: 1645

I hereby certify that this correspondence is being deposited with the
United States Postal Service as first class mail in an envelope
addressed to: Box Missing Parts, Commissioner for Patents,
Washington, D.C. 20231, on January 15, 2002.

By

Andrea L. Gashler
Andrea L. Gashler, Reg. No. 41,029

January 15, 2002
Date of Signature

INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. § 1.97, enclosed are
references relating to the above-identified application. For the
convenience of the Examiner, these references are listed on the
attached Form PTO-1449, and a copy of each is enclosed herewith.

It is respectfully requested that these references be
considered in the examination of this application and that their
consideration be made of written record in the application file.

No fee is deemed necessary in connection with the
filing of this Information Disclosure Statement. However, if any
fee is required, authorization is hereby given to charge the
amount of any such fee to Deposit Account No. 03-0370.

Respectfully submitted,

Date: January 15, 2002
